Collection of Students during the School Day

If a Parent/Guardian has to collect a child during the course of the school day, alert the Year Head through the homework journal or send an email to the school (office@holychildcs.ie)

The following arrangements will apply when the adult arrives at the school, they should phone the office to alert the school that they have arrived.

- The adult should wait outside the front door
- The child will be brought from their class to the parent/guardian by a member of staff.
